The Satisfactory Academic Progress Appeals Committee may grant or deny any SAP appeal. The maximum number of appeals any student may normally have granted during the total of all their enrollment periods at Coahoma is three (3). Each academic reset will count as an appeal. Under extreme circumstances, a fourth appeal may be granted, provided that the student has documented proof of the circumstances. In the case of a student who files a fourth appeal, the reasons for the student's three previous appeals will be considered when making a decision. The student's progress within their academic program will be a determining factor on the rare occasion when a fourth appeal is allowed. on
